

WEATHER EMERGENCIES

Eagle Lake Camp and Retreat Center (ELCRC)

1. Ring the bell to gather campers/staff.
2. Account for all campers/staff.
3. Campers and staff should take refuge in one of the following places:
(as directed by the Event Director or other senior staff member)
 - a. The basement of the East Bunkhouse.
 - b. The Shower House.
 - c. The basement of the Resident Manager's residence.
 - d. A ditch or other low area.
4. The Event staff will monitor radio reports, etc., to determine when the storm danger has ended.
5. The Event staff will check for downed trees or wires (**DO NOT TOUCH**) before campers are released from the sheltered areas.
